End Hunger Now Bake Sale

19005 Bel Aire Dr
Cutler Bay, FL 33157
smilingtummies@gmail.com

To Whom It May Concern:

My team, *(insert bake sale team name)*, is participating in Smiling Tummies End Hunger Now Bake Sale. This program encourages people of all ages to come together and host bake sales in their communities in an effort to help end hunger in America. Our bake sale will take place at *(insert bake sale location)* on *(insert bake sale date)* and our goal is to raise *(insert goal amount)*. We cannot do this alone so I am asking for you to join us in ending hunger in America by contributing to our bake sale by donating *(insert items you are requesting: baked goods, supplies, gift cards, etc. Whatever items you are in need of!)*.

Hunger in America is considered to be an invisible problem. Many people don't know how many people are affected by food insecurity. The most recent statistics from the USDA about hunger in America have shown that:

- 48.1 million Americans (32.8 million adults and 15.3 million children) are food insecure.
- 19 percent of U.S. households with children reported being food insecure.
- 5.6 percent of U.S. households (6.9 million households) had very low food security. This means that the food intake of some of these household members was reduced and normal eating patterns were disrupted at times during the year due to limited resources.

Smiling Tummies is a non-profit organization that is primarily run by young adults who are striving to help end hunger in America. Funds raised through the End Hunger Now Bake Sale will go towards various programs and services offered through Smiling Tummies. To learn more about the work Smiling Tummies is doing, visit www.smilingtummies.org.

We thank you for your time and consideration. I hope that you will be able to join us in our efforts to end hunger by donating *(insert items requested)*. If you have any questions, you may contact me at *(XXX)XXX-XXX*.
